Hyderabad, Telangana, India | 756-926-0936 | bandarit1997@gmail.com | Portfolio: tarun-b-portfolio1.netlify.app

Profile Summary

Senior **US Mortgage Live Underwriter** with **4.4 years of total professional experience, including 2.9 years of specialized experience in US residential mortgage** credit risk assessment across Conventional guidelines (FNMA/FHLMC). Immediate joiner. Adept at qualifying income for self-employed borrowers using IRS Forms 1040, 1120, 1120-S, and 1065. Expertise includes calculating LTV and DTI, analyzing collateral, clearing asset conditions, and supporting AUS findings in Encompass (LOS) while maintaining high service standards, quality control, and turnaround times. Six Sigma Yellow Belt certified.

Experience

SR. ASSOCIATE - TRANS PROCESSING | FEBRUARY 2026 – TILL DATE

Sutherland Mortgage Svcs Inc

- Underwrite complex US Retail Mortgage applications, assessing **borrower creditworthiness, financial liabilities, and asset profiles** in accordance with investor risk appetites and lending guidelines.
- Evaluate diverse property and asset valuation products, including **automated models and full appraisals**, to calculate **accurate loan-to-value risk metrics** and clear collateral conditions.
- Manage a high-volume pipeline efficiently, consistently meeting daily **Turnaround Time (TAT) metrics** while ensuring 100% data integrity in the Loan Origination System (LOS).
- **Analyze credit reports, title commitments, and insurance policies** to identify potential liabilities, ensuring all files are clear of title or compliance defects before final sign-off.
- **Review and clear complex underwriting conditions** related to borrower assets and employment stability, collaborating effectively with cross-functional teams to streamline the loan life cycle.
- **Perform real-time compliance and fraud detection analysis**, cross-referencing system alerts with applicant data to identify data discrepancies and mitigate risk prior to final approval.

BUSINESS PROCESS ASSOCIATE | NOVEMBER 2023 – JANUARY 2026

Adiel Technologies Pvt.Ltd

- Evaluate and Review mortgage loan applications and borrower provided documentation to verify property and loan conditions meet investor, FNMA & FHLMC underwriting guidelines.
- Calculate **LTV, DTI, qualify income** and others to support **AUS findings and address condition issues** if any arise by requesting additional documentation for final decision.
- Expertly reviewed personal and business tax returns, including **IRS Form 1040, 1120, 1120-S, and 1065**, to calculate qualifying income for self-employed and complex-profile borrowers.
- Underwrite new loan files and all conditions within the lender define turn time to help company to maintain their turn time in good standing.
- Conduct deep-dive analysis of the **4 "C"s of Credit**—Credit, Capacity, Capital, and Collateral to ensure a holistic view of borrower risk.
- Use **AUS enabled internal underwriting engine(LOS)** to help make decision by following underwriting guidelines.
- Performed real-time **Red Flag and Fraud Detection analysis** to mitigate risk, resulting in the immediate issuance of loan approvals or denials.
